Opening Hymn “Children of the Resurrection”

H. Warnick

(Choir)

1. Children of the Resurrection
Raise your voices joyfully:
“Alleluia, Christ is risen
Lives and reigns in majesty.”
Christ, the first-fruits of our rising,
By His grace calls us to be
Children of the Resurrection,
Claimed, forgiven, and set free.
2. God’s creation shows His promise
New life blossoms ev’ry spring.
At the font our sins were buried
Our new life awakening.
What amazing love to ponder
God beside us, whispering
“You are My beloved children,
To that promise you can cling.”
3. Is He not God of the living?
Has not death lost all its sting?
When the trumpet sounds His coming
We shall rise to meet our King!
Alleluia, alleluia!
Saints and angels echoing,
Children of the Resurrection
Praise to Christ forever sing!
